Making every experience count

The lumbar support gives the user superior comfort to minimise fatigue experienced from poor posture and prolonged sitting.

www.saidina.com.my

Designed for spaces with a strong innovative technological presence, Royce's vibrant appearance glows with positivity appreciated in today's work environment.

The charismatic design of the Royce chair has all of the qualities to help bring out your corporate identity, and together with its distinctive and stylish features it will help to leave lasting impressions to the user.

- a Black
- b Grey
- c White
- d Red
- e Dark Blue
- f Blue
- g Green
- h Yellow

The Royce chair comes in two back options: one with the artfully designed fabric which provide some cushioning feel and the other one with a flexible ventilating mesh back, both conveniently share the engineering integrity of a single back. Royce chair comes in a series of vibrant colors to allows users to mix and match with their desired interior.

ROYCE chair is smart, versatile, and responsible. Its universal appeal includes a wide range of applications, recyclability and a fantastic scope of color for the workplace or home office.

a Inner Seat

PU moulded foam is attached to the bottom polypropylene cover without the usage of metal plate bracket with nuts.

b Under Seat

Bottom polypropylene cover which made of recycled material is unconventionally secured to the seat that eases the exchange and replacement of the seat upholstery.

c Armrest

Nylon adjustable armrest with polyurethane armpad to enhance support with best comfort.

d Backrest

Nylon backrest frame with lumbar support in black finish.

e 5 Pronged Base

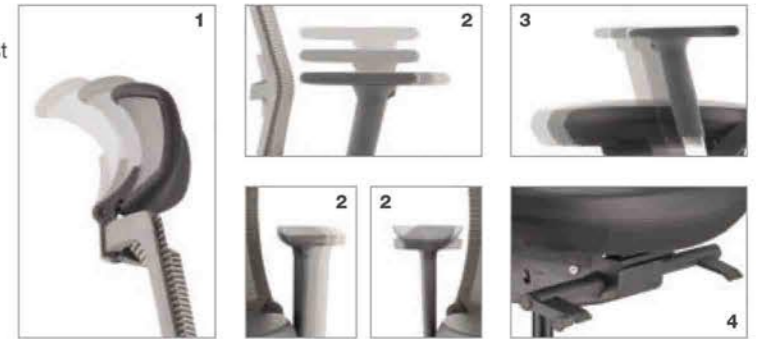

Polypropylene base that comes with matching 50mm nylon castors.

VERSATILITY

With models and options to support a variety of tasks and collaborative needs, ROYCE works to bring consistency throughout and organization. Featuring chairs perfect for all different need be it meeting room, workstation, training room, etc, ROYCE operates in a wide range of environments.

FABRIC SERIES

OPTIONAL SPECIFICATION

Adjustable Headrest

The angle (non-height) adjustable headrest provides comfort and support to neck and head at any sitting position. (Pic 1)

Headrest

The contoured fixed headrest provides comfort support to neck and head. (Pic 2)

4D Adjustable Armrest with Polyurethane Armpad

Telescope in and out, move forward and back, pivot, and adjust up and down which provides natural position that comfortably supports the wrists, forearms, shoulders and neck. (Pic 3, 4, 5, 6)

5 Pronged Base

5 pronged base in either nylon or die-cast polished aluminium finish, generated by highly sophisticated ambience to provide strong stability. (Pic 7, 8)

Nylon Castors

60mm nylon dual-wheel castors are designed for smooth gliding and also reduce floor scratches. (Pic 9)

Adjustable Seat Depth / Slider Mechanism

Using a simple lever under the seat, user can easily adjust the depth of the seating to accommodate his sitting preference and comfort. (Pic 10)

Rotary Point Synchronized Mechanism

Multi-locking mechanism that comes with seat height adjustment and revolving tension control function. (Pic 11, 12)

Lumbar Support

Nylon backrest frame and adjustable lumbar support in transparent black finish. (Pic 13)

Height Adjustable Pneumatic Cylinder

Imported heavy duty pneumatic cylinder designed with safety and durability features, allows for height adjustment of the chair to suit each user's physique. (Pic 14)

Polyurethane Moulded Foam

High density polyurethane moulded foam comes with fire retardant feature, gives the seat flexibility to conform user seating posture, provides great support and best comfort even for long seating hours. The black finish seat cover below is designed for greater protection to the foam, quality upholstery and user safety. (Pic 15)
